

# DYNAMIC, INNOVATIVE & PERSONAL

ISSUE 7 | TERM 4 | WEEK 4

We are very excited and fortunate to have watched the Songroom performance this week- students returned bursting with energy and stories! Next week, the whole school will attend the World Festival of Magic! Our participation in this show has been sponsored by Newcastle Enterprise Rotary Club. These are rich cultural performances that many students would not usually be able to see with a group of friends and will inform class discussions and writing.

## Surveys!!!

As part of the required annual school reporting process we are required to evaluate aspects of our school. The first aspect that the community will be invited to complete surveys on will be 'School Culture'. This survey will be attached to the newsletter. Please complete the survey and return it to the office as soon as possible. Staff and students will complete similar surveys during school time.

## Parents and Citizens Association

This terms P&C meeting will be held on Wednesday, November 14<sup>th</sup> from 2-3pm. The P and C is a small dedicated group who require more support, both at meetings and with fundraising such as canteen and the Christmas Raffle.

The P and C are now putting together their hampers for the Christmas Raffle and would appreciate donations of non-perishable Christmas items. Students will bring home raffle tickets soon.
