

Canberra Excursion

This is a very important opportunity for students and we would like for all students from Years 3-6 to attend. An excursion like this has not been offered at the school since 2009. We are planning to have a four year rotation of major excursions. This means Canberra will not be offered for another four years. At this stage we are looking at Sydney as a destination for next year.

The dates for Canberra will be Wed – Fri in Term 3 Week 5
14th, 15th and 16th August.

The main featured attractions will be:

Australian Parliament House

Questacon

Australian War Memorial

Mt Kosciusko Snow

Water watch

We have been very fortunate to have had a number of excursions sponsored by Hunter Water lately. These activities have expanded to our school. Students have been testing water, auditing marine creatures, collecting debris and learning about water catchment management. We are looking forward to entering discussions about rehabilitation of Styx Creek.

Thank You

Thank you to all the wonderful parents who assisted us in covering books for our library and classrooms. This was a big job and means that students will now be able to borrow our new titles.

GOT IT! Tip Of The Week

Children are more likely to misbehave when they are bored so provide lots of engaging indoor and outdoor activities for your child, e.g. playdough, cubby houses, colouring, cardboard boxes, etc

Roof replacement

The roof replacement of A block will begin next week. It is due for completion before the end of June. Let's keep our fingers crossed that we have some clear weather.

School Banking Champ

Congratulations Mishka for being a super saver. Mishka this year has not missed an opportunity to bank.

National Reconciliation Week

National Reconciliation Week (NRW) is celebrated across Australia each year between 27 May and 3 June. The dates commemorate two significant milestones in the reconciliation journey—the anniversaries of the successful 1967 referendum and the High Court Mabo decision.

The week is a time for all Australians to learn about our shared histories, cultures and achievements and to explore how each of us can join the national reconciliation effort.

Uncle Perry was again very popular performing for the classes, playing Yidaki, and sharing language and culture.
