Islington Mini Olympics

What an amazing day full of fun and excitement. Students came dressed and represented their country with pride. The opening ceremony included the infamous lighting of the torch and parades of each nation.

Each country and its team members participated in numerous Olympic sports such as javelin, discuss, shot put, the marathon, soccer, long jump, boxing etc and earned themselves points at each event they participate in. By the end there was an unanimous winner: 1st Kenya, 2nd Japan and 3rd Australia.

All students displayed team spirit and sportsmanship. They were a credit to their country. Also a special congratulations to Mr Lumley for organising the world famous event and all the time and effort he put in behind the scenes to make it a successful and enjoyable day.
