

Digital Media Film Festival

The Callaghan Educational Pathways Digital Media Festival short film competition is being held at Callaghan College Waratah Campus on Thursday 29th November.

As well as Islington's short film, the Festival will feature our African Hair Braiding stall plus a special performance from our Capoeira Angola group. All other schools in our cluster will be bringing their talents and stalls as well, ensuring that this premiere performance and cultural event is one not to be missed.

Tickets are on sale now from the office. \$10 for a family of four...that's a bargain! Mark this date in your diaries, cinephiles, and whatever you do, don't miss out!

Welcome Mr Blake

Leaders 2019

Our Year 5 students will be making their leadership speeches to support their candidacies for 2019 school leadership positions at a special morning assembly on Thursday 27th November in the hall. The roles of school captains and vice-captains are very important to the school and are taken seriously by students and staff. All are welcome to attend on the day (especially Year 5 parents) and join in supporting school citizenship, leadership and democracy.

Showcase Class

Next week's assembly will be the final one for the year. In honour of the occasion, by popular demand, the final showcase class for 2018 will feature the inimitable talents of **3/6B!** Next Friday, 23rd November, 2pm. All welcome.

Students Kiahla, Jessie and Bella are seen here with Mr Lumley at the CEP Aboriginal Recognition Assembly held at CCWTC last week. This assembly recognises the accomplishments of our Aboriginal and Torres Strait Islander students and celebrated their achievements to a packed house of proud families, carers, teachers and cultural communities. Other Islington students honoured at the assembly were Tawahna, Xavier, Kihjarla, Lily and Shano. Well done to you all. You make us proud.

School Backpacks

The flash new Islington Public School backpacks have arrived and are on sale right now from the office. The two designs on offer are the multi-compartmented Anatomic Tuff-Pack (modelled by Mahnoz, right; \$60) and the large single-compartment Mighty Tuff-Pack (modelled by Bahar, at left; \$40). We have a limited run of twenty bags of each design available, so be quick to buy one while stocks last. These school bags are ergonomically designed to protect spines and posture, as well being tough enough to last an entire primary education, Kindergarten to Year 6. They look pretty sharp too.
