

Digital Media Film Festival

The Callaghan Educational Pathways Digital media Festival short film competition was held last night. Islington's film *Time of Your Life* was very warmly received by the crowd. Thank you to auteur Ms Read and the creative 5/6R for their efforts in producing this short film feature. Our capoeira angola group also performed to much acclaim. Well done to you all.

BREAKING NEWS: Islington Public School is pleased to announce the permanent appointment of teacher Mrs Trudy Ramsay to our school. Please join us in welcoming Mrs Ramsay to our school community. In another delightful turn of events, Mr Cameron Anderson had also accepted the position of classroom teacher for 2019. We are lucky to have such a talented pair in our midst.

Mars Attacks!

5/6R represented their school with great credit at this week's Mars Rover excursion. Students were tasked with programming a coding sequence to remotely pilot a Mars Rover craft through a course on a simulated mysterious red planet. Major Read reported a successful mission to ground control. Well done, 5/6R and thank you to Ms Read for providing this wonderful experience.
