

## Merry Christmas and a Happy New Year

Islington Public School staff wish our community all the very best wishes for the Christmas season. Have a relaxing, safe and enjoyable holiday break. We will see our students back refreshed and ready to go in their new classes in 2020. Looking forward to it already!

We say a fond farewell to our Year 6 students today also. It's been a wonderful adventure over the last seven school years. We will miss you very much here at Islington. We know, however, that your high school years are going to be a success. Enjoy the next exciting stage of your educational journey. Good luck!

## Presentation Day

Thank you to all our community who attended this year's Presentation Day. The ceremony recognises all the wonderful achievements of our students in another successful year. Congratulations to all of our special and class award recipients.

## Christmas Concert

Yesterday's Christmas Concert was a lot of fun. The students performed brilliantly and really entertained the crowd. Thank you to the maestro Mr Blake for keeping the show on the road.
