

Presentation Day & Christmas Concert

This year our annual Presentation Day and Christmas Concert will be split over two separate days (and weeks). Presentation Day will be held on Thursday 12th December (10am); the Christmas Concert will take place on Tuesday 17th December (10am). This splitting of events will reduce the burden of a single long performing day on students, as well as provide greater flexibility for attendance on working parents.

But that's not all! This year both events will be held in the hall of the Islington Baptist Church on Maitland Road. This hall is much larger than our school hall, as well as being better ventilated, and we will be able to fit all of our students and audience members in with ease. This will be quite a relief from the increasingly hot, stifling conditions in our school hall in midsummer. Further information regarding the specific structure of these days will be provided closer to the event.

Swim School

Please keep the notes and payment for this year's School Swimming Scheme coming in-places are filling fast! Swim School is open to students from Year 2 and up. Swimming is not just great fun, but a vital life skill, so see the office to sign up. Today is the official deadline, however, there will be a last chance sign up period on Monday for those who like to live dangerously.

Assembly Showcase

Today's assembly showcase saw the encore of 5/6R, who certainly entertained and made us think. Well done to Ms Read and the senior citizens. This performance was the swansong of the assembly showcases for 2019, but not the final assembly of the year. Our next assembly will be held in Week 6, on Friday 22nd November. All welcome.

Change of Date for Senior After School Sport

Senior after school sport will be changed to Monday 11th November for one week only.

K2020

This week our 2020 Kindergarten students had their first orientation day. They had a tour of the school, played some games, created some art, read some books and, most exciting of all, met their Year 6 2020 Buddies! The new Kindy kids and their new senior student friends hit it off immediately and had a lot of fun.

On today's evidence, it's safe to say that next year is going to be a great year of Goodness, Truth, Beauty.

Yeah, Science!

Scientist, academic and celebrity Dr Karl Kruszelnicki has made a generous donation of his complete written works to our school library. Dr Karl makes this gift to all public schools that book in for his science Skype sessions, an event that Mrs Ramsay has organised for next year. The Dr Karl books will be available for borrowing next week.

P&C Christmas Donations

Our P&C are accepting donations for the annual Christmas raffle. Please leave donations with the school office.
